Welcome

The Organizers, KNA Drammen and Zero wishes welcome to ZERO EMISSION RALLY 2011 7th to 9th June. The rally is organized in accordance with International Sporting Regulations (ISR), The Norwegian Sports Regulations (NSR) and Regulations for the event.

The supplementary Regulations are published both in English and Norwegian.
In case of any dispute concerning the interpretation, the English text will be binding.

2.6 Description of the rally

Zero Emission Rally 2011 is a national rally for hydrogen-, electric-, plug in-hybrid and biofuelcars. Starting in Hamar, 7 June and finishing in Oslo 9 June, it consists of transport stages and 13 stages/tests; 2 are running on tracks, 7 regularity tests, 1 hill climb and 3 auto slalom. Total distance will be 527,5 km

2.6.1 Minirally

Zero Emission Rally 2011 will also include a minirally. The minirally will start in Oslo 9. June at 16:30 and will include 1 auto slalom. Minirally will be open for class 1 - 5, but they compete together. For administrative check-in and scrutineering see art. 6.3

2.7 Road Surface

Gravel, concrete and tarmac

3 Organizers advertising and start numbers

Your competition number is according the entrylist, Appendix 1. Competition number (two) will be issued by the organizer to each competitor at the administrative check . These must be affixed to the car on each front door. The following stickers (organizers advertising) must also be affixed at the car:

Coca Cola ZERO

Transnova

NAF

Eidsiva

4 Classifications and Prizes

The final classification will be published at 18:00 and the prize giving will take place at 18:30, both at Amundsen Bryggeri & Spiseri, Stortingsgt 20, Oslo

4.1 Mini rally

The final classification will be published at 18:00 and the prize giving will take place at 18:30, both at Amundsen Bryggeri & Spiseri, Stortingsgt 20, Oslo

Prizes are awarded to the three best drivers and co-drivers in each class. If two or more competitors in the same class finish on the same total time, the vehicle with the best result from the first stage will be judged first. If two or more competitors are still equal, the results from second, third, fourth stages and so on will be used to judge between competitors.
